

River Scene near Belle Isle Park, Detroit, Mich.

BOATING AND ROWING ON THE RIVER is one of the most favorite pastimes of all who have a fondness for the water. Regattas are held at regular intervals during the summer months and some of the best oarsmen and sailors in the country have often tried their skill on the placid waters of our beautiful river.

I had better let you
know that I gave up
safety I have just got
back from Corpus Christi
I wasn't sure that you
had gone home
my but it seems

longer over there
now I had a fine time
at the fair yesterday
and I washed my
That you could have
been there but I
days are coming
